The competition comprises two divisions – junior for Years 3 and 4 and senior for Years 5 and 6. At regional finals, each school can enter one student per division to a maximum of two students per school.

Words for the competition are provided by Macquarie Dictionary and are divided into several categories. Junior and senior students study different word lists. Regional and state finals also include unseen words in later rounds.

In preparation for the NSW Premier's Spelling Bee Competition, classroom teachers will hold a class spelling bee where 8 finalists will be chosen. These finalists will then participate in the school Spelling Bee Competition to be held on Monday 27th June at 2pm where our two school representatives will be chosen for the regional and state finals.
